MONSTERS OF SCHLOCK

THE GREAT ORBAX

A university physics professor, taxidermist, and ex-hard core wrestler, Orbax has been performing in sideshow since 1998. As a solo performer he was considered a 'one man ten-in-one' having mastered all the stunts of modern sideshow. Leading the Great Orbax Sideshow, he successfully toured Canada and reunited with his brother Pepper who immediately joined up. The two quickly formed a two man show and the rest is history.

SWEET PEPPER KLOPEK

Master magician and front man for the greatest hard core punk rock band of all time, Pepper has over 20 years of experience performing in theatre and music. With the Legendary Klopek, and later his thrash band Skullkrusher, he has toured across Canada, America and the UK with such notable bands as Pennywise, Suicidal Tendencies, Municipal Waste, Sigh (Japan), and Blink 182.

In 2009 Sweet Pepper was struck in the face with a chainsaw requiring 27 stitches. 10 days later he broke a world record.

In 2003 Orbax suffered third degree burns to 11% of his body on stage. He quit his PhD and started performing full time.

The twin brothers, who are Scottish Lords were given up for adoption 35 years ago in Canada. At the age of 25 they were reunited, and have been performing together ever since.
